## Norwoods Golf Club Rules

### Format:

SCRAMBLE format, everyone plays from the same ball located in the best position. All ties will be settled by a scorecard playoff starting on the #1 handicap hole.

### Tee Assignment: \*\*PLEASE NOTE\*\*

Men shall play from the **WHITE** tee markers. Ages 70 & over and women shall play from the **RED** tee markers. *Hole-in-One Competitions: Everyone must tee off from the **WHITE** tee markers.*

### Rules of Play:

1. If your ball or stance is affected by any sunken irrigation line in the fairway (only), you may find your nearest point of relief (no closer to the hole) and take a free drop.
2. You may take a free drop from any natural drainage ditch
  - #2—right of the green
  - #8—separates the two fairways
  - #9—just off the tee, short off green
  - #11—separates the two fairways
  - #16—just short off the green
  - #17—just off the tee
  - #18—before you get to the fairway
3. Local Rule change for relief from Natural Drainage (You may take ONE CLUB LENGTH) from the edge of the ditch no closer to the hole and drop).
4. If your stance, swing or flight of the ball is interfered with by an electrical pole you may find your nearest point of relief, no closer to the hole, and take a free drop. (This relief does not apply to the power lines).
5. The inside edge of the main road and the gravel maintenance road on Hole #10 define out of bounds on that hole.
6. All ponds are hazards (they are unmarked) the margin of the hazard is defined by the edge of the pond banks.
7. There are drop circles on holes #4, 6, 10, 15 & 17.
8. The entire parking lot is out of bounds.
9. The road behind #2 and #9 greens and the area beyond them is out of bounds. The out of bound behind #9 ends where the white line ends. The road and area beyond #15 green is in bounds (except parking lot).
10. Lateral Hazards and Water Hazards are marked by red and yellow stakes (movable obstruction).
11. Out of bounds are marked by white stakes or flags.

\*If a flag or stake is missing out of a row then the boundary of the hazard is defined by the inside edge of the tall grass.
